

# 1. Mapping the context

What is the challenge you will focus on?

Which are the associated challenges?

--	--	--

Which are the strengths in the community?

Who are the stakeholders involved?

(See the stakeholder mapping tool section for more detail on how to build this)

# 2. Build a vision

Year

What happens in the community?

What doesn't happen in the community?

	_____	_____	_____

# 3. Build a plan

Map the steps to move from the current context to the vision

Current context

This that then will lead to this...

Future vision

# 4. Check-in

Check-in that you are on track.

Check-in questions

1st check-in

2nd check-in

3rd check-in
